Voyager Insurance Services Ltd

Types of policies available and policy durations

Policies are available for single trips up to 45 days, long stay trips up to 15 months or on an annual basis for multiple trips. An annual multi-trip policy runs for 12 months from the date specified and provides cover for any number of trips provided that they do not exceed the maximum duration for any one trip shown in your insurance benefits schedule. A single trip or long stay policy provides cover for the duration of the trip shown in your policy documentation.

Who can be covered?

Policies can be arranged for individuals, couples or families, subject to the maximum age limit shown in your benefits schedule. A family policy provides cover for up to two adults and their dependent children aged 17 and under or 20 and under if still in full time education and all normally residing together at the same address. Cover for families shall apply where the appropriate premium has been paid. On annual multi-trip policies, all insureds are entitled to travel independently of each other providing all travellers are named on the policy schedule.
